

12 February 2020

Dear Parent / Carer

Year 10 and 11 Core Engage Evening – Wednesday, 26 February 2020 6.30 pm to 8.00 pm.

At The Farnley Academy we recognise the importance of the Core subjects to an individual's future and do everything possible to ensure that attainment is as high as possible.

We would like to invite you to attend a Core Engage event on **Wednesday, 26 February 2020**. The evening will be an opportunity to find out more about how you can support your child in being successful with English Language, English Literature, Science (2 GCSEs) and Mathematics.

Year 11 students have only 40 days from this evening until examinations start, we see this as a final opportunity to ensure they are preparing well at home and understand their current position and how to improve.

Year 10 students clearly have more time but Year 10 is an essential year of preparation and if successful will support fantastic outcomes in Year 11.

Mathematics - Your child's areas of weakness and how they can work at home with you to improve.

Science - The steps needed to prepare for the science examination and the structure of the course.

English – The key information about how to successfully revise English and the independent work they should be completing.

This evening will include refreshments and is highly recommended.

The Core teams are very much looking forward to meeting with you.

Please ensure that your son / daughter returns the reply slip overleaf to their form tutor by **Monday, 24 February 2020.**

Yours faithfully

Scott Cosgrove
Vice Principal

Year 10 and 11 Core Engage Evening – Wednesday, 26 February 2020

Please complete, sign and ensure that your son / daughter returns this information to their form tutor **by Monday, 24 February 2020**. **Form Tutors, please put reply slips in the Engage pigeon hole in the staff room.**
