Dear Parent / Carer

Student Welfare – Food Banks

With the possibility of school closures and the added stress of funding additional meals that would have been provided at school, we are aware that this can result in unexpected pressure on family budgets.

With this in mind, we want to remind our parents/carers that support is available through the local food banks. The below centres can be visited and will assess your need to issue a food voucher.

Armley One Stop Centre

Armley Community Hub, 2 Stocks Hill, Armley, Leeds, LS12 1UQ

Bramley Community Hub and Library

Hough Lane, Bramley, Leeds, LS13 3ND

Once you have the food voucher you can then attend a Food Bank which are identified on the back of the voucher. Please note, you can only attend a food bank if you are in possession of a food voucher. You can also obtain a voucher from your local GP, Charity One Stop Centre or Citizens Advice.

More information can be found at <https://leedsnorthandwest.foodbank.org.uk/info@leedsnorthandwest.foodbank.org.uk> or phone the Leeds South and East Food bank on [0113 244 4696](tel:01132444696).

Yours faithfully
