Dear Parent / Carer

RE: 100% Attendance 'Club Points'

Happy new year! I hope that you enjoyed the Christmas break.

As I am confident you will be aware, before the Christmas break levels of student illness were higher than is typically experienced at this time of the year. As a result, sadly, many students lost their much-valued place in the 100% Attendance Club.

Following on from a student and parent / carer voice activity completed at the beginning of this term, I am writing to inform you of an 'evolution' that is being made to the way that the 100% Attendance Club operates.

Membership of the 100% Attendance Club will remain exclusively for those with 100% attendance, or those who have had their 'Exceptional Circumstances' form approved by the Principal, however, there will now be a way for students who have lost their membership to gain access to the daily, weekly and half termly rewards that are offered as part of membership of the club.

Introducing '100% Points'!

Each week that a student is in school for the full week, they will be awarded a 'Club Point'. These points will come in the form of a sticker that will be stuck into the planner. Students will be able to exchange these points for access to the rewards that are available as part of the 100% Attendance Club.

The table below outlines how many points will be required to access the available rewards.

Queue Jump = 1 Day	1 x 100% Point	Winter Wonderland	7 x 100% Points
Access Friday 'Pop-Up'	2 x 100% Point	Easter Eggstravaganza	7 x 100% Points
Queue Jump = 1 Week	3 x 100% Points	Farnley Festival (1/2 Day)	9 x 100% Points
Scare Festival	7 x 100% Points	Farnley Festival (Full Day)	15 x 100% Points

To get everyone, started, we have given out the first set of 'Club Points' during assemblies today! We've backdated this to the beginning of the school year, so students have been able to receive up to 16 club points today!

In addition to using 'Club Points' to access the rewards above, should students wish to, they can also use their points to buy prizes from our 'Club Points Prize Cabinet' on show in the canteen. Prizes in this cabinet range in value from an Artist set, through to a PlayStation 5!

In the 100% Attendance Club? Students who remain part of the 100% Attendance Club will be able to continue to access all the rewards that they currently do AND they will also be given a weekly 'Club Point' alongside their peers to spend on items in the 'Club Points Prize Cabinet'. Students must continue to wear their 100% Attendance Club badge every day to have access to the rewards on offer.

We very much hope that you agree that this amendment to our attendance incentive programme is a welcomed change and will serve to further motivate your child to attend school. Excellent attendance really is the bedrock for success at TFA and we thank you for your continued support in ensuring your child attends school every day.

If you have any questions in respect of this letter, please do not hesitate to contact us.

Yours faithfully

Mr C Stokes
Principal
