

19 January 2023

Dear Parent / Carer

RE: Year 11 Parent Information Evening – Thursday, 26 January 2023

As you will be well aware, these next few months are incredibly important for your child. As an academy, we are determined to do all we can to ensure they achieve their full potential in their GCSE examinations in a few months' time.

In response to requests from parents / carers to further understand how to support their child in preparing for their GCSE examinations, we will be running a **Year 11 Parent Information Evening on Thursday, 26 January 2023**.

During the evening, we will share with you information about the upcoming examination series, as well as giving you the opportunity to hear first-hand from us what your child needs to do in the coming weeks to be successful, and how best to support them in their preparations. Additionally, as part of the evening, a short address will be given from leaders of core subjects to explain the structure of examinations in their subjects and provide you with top tips for revision success. Addresses will be given by:

- English
- Mathematics
- Science

Following on from the main event in the auditorium, you will be able to speak with a variety of subject leaders in the canteen about how to further support your child.

To ensure that you can attend as a family, we will be running two sessions across the evening, each lasting approximately 1 hour.

- Parent and Carers of students in forms 11.1 to 11.6 are invited to attend at 6.00 pm.
- Parents and Carers of students in forms 11.7 to 11.12 are invited to attend at 7.00 pm.

Upon arrival, please proceed to main reception where you will be greeted by our staff and given a revision 'goodie bag', before being shown through to the auditorium.

We very much hope that you will take advantage of this offer and join us for what will be a very informative and useful hour!

Yours faithfully

Mr C Stokes
Principal

Mr S. Cosgrove
Senior Vice Principal
